### **Shift Reports:**

### **A-Shift Report:**

Time off: Dak March 5th-6th

Mutual aid: N/A

Training: Hose deployment and advancements, company evolutions, going over the EMT book with Intern Gonzalez to prep him for his NREMT test coming up, Ropes and knots, Ladders, Hydrants, Target solutions, Mask ups, Firefighter Eynon went to March Mayhem training in Idaho and came back and trained the shift on the things he learned at training.

Issues/concerns: During company evolutions the plumbing in E12 failed, putting E12 out of service.

Pre-fire plans: Walk through of the fertilizer plant on 6th st.

Special tasks: A-shift went to the high school and hung a bunch of flyers in the hallways. We talked to the advisor there and scheduled a time to come in and set up a booth to talk to students during conferences. We also talked about going in to talk to classes about the internship program. The advisor is going to talk to teachers and get back to us on that. Senior firefighter Paola set up joint swift water rescue training with the search and rescue team from Umatilla County and Union County. Will be held at station 11 with the permission from Chief.
