## SEPTEMBER 2025

### CHIEF'S REPORT TO THE BOARD OF DIRECTORS

**Reporting Period:** AUGUST 2025    **Date Presented:** SEPT 3RD, 2025    **Prepared by:** Chief Baker

#### 1. GENERAL OVERVIEW

August was another active month for Umatilla Fire, with crews responding to a wide variety of incidents and continuing to advance both operational readiness and administrative priorities.

I held a meeting with Brett from Community Counseling Solutions to continue efforts in supporting firefighter mental health. Additionally, I had two formal check-ins with the City Manager. These meetings confirmed that our relationship is strong, collaborative, and mutually supportive in all aspects of fire district and city government interaction.

Several planning meetings were conducted with city officials regarding the upcoming Rock the Locks event. We also completed facility inspections, including:

- Amazon Data Center water facility building near TRCI
- Umatilla High School Vocational Ed Facility (knox box installation and key access verification)

Fleet work continues with Brush 11. A new chassis has been ordered and, once delivered to Hughes Fire Equipment, upfitting will take approximately three months, projecting a January return.

We hosted our first Volunteer Firefighter training, now bringing us to 7 active volunteers including resident interns. A mentorship program has been developed to ensure success and retention in the volunteer program.

Firefighter/EMT eligibility list interviews and testing were completed, including Fire Chief's interviews, officially establishing an eligibility list.

We also reviewed three law enforcement-related incidents in July (drive-by shooting, suicidal subject, and a pursuit ending in an MVC). Follow-up meetings with law enforcement and
